

LAKE KANASATKA WATERSHED ASSOCIATION

Vonhurst Beach, Moultonborough, New Hampshire

August 16, 2003

President Bill Smith welcomed those present for the business meeting at 11:50 AM. He introduced two new members, Walter and Barbara Gallis.

He introduced Ted Hilton, one of the original incorporators of the Lake Kanasatka Watershed Association, who was present at the meeting.

The minutes of the July 19th meeting were accepted as read.

Bill Smith stated that the new gate on Red Hill Road is an effort to keep AW's off an access on the hill. The property is privately owned.

David Wolf from Deep Conservation Consultants, who had spoken to LKWA at the July meeting, sent information concerning biological testing in the lake. A one time survey to set up sampling stations and to judge insects etc. coming into the lake would cost \$3000. The concensus was not to spend that much money.

Kevin Kelly commented that the fishing is "extraordinary"

The DES will do a weed survey this summer.

Ted Hilton asked about the upper end of Red Hill Road where big trees had been chopped down.

Legislation concerning personal watercraft (PWC) has gone nowhere in the last 4 sessions and there is no change.

John McRae, Nominating Committee Chairman presented the slate of officers for the upcoming two years:

President - John Scudder

Vice President - Laura Whitley

Secretary - Barbara Lauterwasser

Treasurer - Bob Brennan

Hospitality - MaryAnne McRae Fox Smith

Kim Anderson

It was moved and seconded to accept the slate of officers.

The meeting was adjourned at 12:15 and was followed by a picnic on the beach.

Respectfully submitted,

Barbara B. Lauterwasser

Secretary
