Nomination Procedures

LKWA members who wish to recommend to the Nominating Committee a candidate for election to the Board of Directors should send their recommendation to lkwamail@gmail.com or LKWA, PO Box 774, Center Harbor, NH 03226 Attn: LKWA Secretary. The Secretary will forward all such letters to the members of the Nominating Committee. Self-nominations are acceptable. The recommendation must contain the following information about the candidate: Name; current residence address(es), phone number and email address; a brief statement of the nominee’s suitability for position, and written consent of the nominee to serve as a director of LKWA, if elected. In order to provide sufficient time to enable the Nominating Committee to evaluate candidates prior to LKWA’s annual meeting, the Secretary must receive the written recommendation no later than sixty (60) days preceding LKWA’s annual meeting. Any LKWA

member who wishes to participate in the Nominating Committee can contact the Secretary in the same manner, within six (6) months prior to the LKWA annual meeting.

The Committee will review the composition of the current board and identify the number of open positions for the next election. The Committee may set an upper limit on the number of candidates to be put on the slate, and will propose a slate of candidates equal to the number of openings on the Board. Criteria for selection may include: willingness to devote time and to contribute constructively to Board activities; qualifications comparable to those necessary for each position or qualifications needed to fulfill Board requirements. The Committee will interview the candidates that it identifies as being best qualified for current needs, and verify that the proposed candidate is willing to stand for election and to serve if elected.
