An Opportunity to Serve!

by Bruce Hart

The LKWA Board of Directors anticipates some open positions on the Board in the new fiscal year starting July 2026. *Please consider joining the board* as it continues to work on water quality and related issues that impact the future enjoyment of our properties. We are eager to hear from those of you who will bring new energy, new ideas, and a similar passion for the gem that is our Lake K.

Please let us know of your interest and any questions you might have by contacting us at lkwamail@gmail.com with “Board Interest” in the subject line, by April 15 – we are more than happy to discuss a board position in more detail with you. Thank you!
