

Lake Kanasatka Watershed Association Community Survey

March 6, 2026

The LKWA Board of Directors is seeking your input to guide our work in protecting and enhancing the Lake Kanasatka watershed. Your feedback is vital to help us better serve the community and lake we all care about.

LKWA is a 100% volunteer-led organization. As we continue our efforts to maintain a healthy lake, we are asking you, our members and lake community, for your guidance and involvement. There is still a lot of work ahead, but there are also many opportunities for your active participation.

Your opinions matter to us!

Please click the green button now, or one of the following links to complete our brief confidential survey!
